MADE IN ITALY

Variable Options at MOQ - 500 pcs

Cover Material

Material or color not available in our stock catalog, but available in Italy. Example: 67625 in a Matra cover, or Montana, etc. PMS matches are an option at a higher qty (around 20k). Offer Prismalux.

Date Design

Different date design/font than standard catalog. Italy has options, but customer can design their own and send vector artwork

Imprint

Full cover/Spine imprint, or remove "Made in Italy" on back cover. Restrictions apply.

Add/Remove Band

Change color of elastic band/pen loop, from list provided. Or add to a notebook that doesn't have a band/pen loop, ex: add pen loop to 76125. *PMS match is not an option.*

Prismalux

Full cover color, PMS Match or 4 color process.

Cover finish options: matte (most popular), gloss, Spot UV, or texture.

The construction of the book same as stock,
(ie. 676 will have a padded cover; Q24 will have a rigid cover.)
Hybrid models Q48XB, Q49XB are not available for this option.

Packaging

Plain sleeve, gift box with tissue paper, polybag, shrink wrap, bellyband

Stitching

Add stitching around end of cover / match cover or choose from available colors.

Personalizations

Upper or lower case, deboss gold or silver foil

Variable Options at MOQ - 1,000 pcs

Logo per page

Every page can have a ghost/phantom logo, text, or simple graphic - to be the same on every page.
Most popular is the faded gray color. 1-2 color or 4 color (# of colors determines price).

Tip in pages

16-32 tip in pages, inserted into the front of the book (after name & address page) or back of journal.

End pages

Printed front or back (or both). If models have a pocket; the pocket will not be printed. Customer can opt. to leave pocket as is or remove. It'll be in the same color (like the pocket will be ivory).

Spot UV / Anti-scratch Prismalux covers

This is a UV coating that adds gloss. Protective layer to the printed cover. Anti-scratch: more recommend on dark backgrounds (you can do on lighter backgrounds). Helps preserve the cover and not risk damages.

If a customer opts out, which they can, we will not issue credit for any damages.

Printed edges

Page Edge Printing Gilt (Foil) Gilt edges / PMS 1 color edge or CMYK edges.

Ribbon Marker

To remove or change color, from std. list. *PMS is not available.*
You can also add a 2nd ribbon to existing model, ex. 67625

Maps

Add/remove 16 pgs. of 4-color maps

Print colors

Change diary/journal print colors - keeping our format
MOQ 2,000 pcs for pocket size.

Variable Options at MOQ - 2,000 pcs

Print colors

Change print color from standard color - lines/graph

Font

Change to another font

Variable Options at MOQ - 3,000 pcs

Print run - custom

Custom, non-existing bookblock, different logo per page

20 yr. planner

Typical pocket version is done

Insert pages

(LIKE A TIP IN) throughout the book - inserted between sections

Remove pages

Remove existing pages

Perforated pages

Make any journal perforated
MOQ 3,000 pcs for pocket size

Variable Options at MOQ - 5,000 pcs

Size

Change from standard book size

Lead time

Production begins when all order details and artwork have been received and approved. Allow approximately 6-8 weeks for production and 3-4 weeks transit from Bergamo, Italy. Ocean freight to US port is included in the price. Inland freight from US port to final delivery address is an additional cost. Airfreight is available, please call for details for all transit times and freight estimates.

**Italy goes on Holiday for month of August.*

Orders subject to a 3-5% over/under run policy
